Inquire at booking for additional reading/oration, per availability.

Lamplighters –

If Lamplighters are requested, there will be an additional fee of \$40 per Lamplighter, per availability.

Breaks –

Inside or outside, our quartets will need access to designated break area and bathroom(s) facilities when at your venue.

COVID in continuum –

N-95 mask protocols will strictly be followed as required by local governments and CDC protocols. We want to provide a safe, enjoyable experience for your audience and our performers! Even if mask mandates are optional, each quartet will determine how masks will, or will not be implemented by our performers per specific occasion and situation. Safety is our number one concern. If your event requires N-95 masks or rapid testing in advance, please share that information during booking.

We accept payment via Check, PayPal or Venmo at the start of your event. Specific details will be shared during booking.
